

OUR LADY OF MOUNT CARMEL PRE-KINDERGARTEN

May 2010

MWF Class

Dear Parents,

Where did April go? It is so hard to believe that we only have two weeks of Pre-K left and so much to do! I am in need of photos from our field trips. You can e-mail me photos at or burn a disk, it would be greatly appreciated! These photos are needed for our yearbooks.

This month we will be visiting the Redwood City Fire Station on Marshall Street on Friday, May 7th. We will meet in front of the fire station at 10 a.m... The station is located on Marshall, between Main and Jefferson Street. There is a parking garage located directly across from the station.

Words can not express my pride in the successes of the children in my class. They have become wonderful listeners, developed patience's and empathy for others, are excited about learning and sharing their knowledge with others and clearly have Jesus in their precious little hearts! This I see is a direct result to the wonderful parenting that YOU do!!! It has truly been a joy and privilege to teach your children!

Love,

Teacher Sandi
