

Saint Francis Center
Food and Clothing Drive
January 11-15th, 2010

Sponsored by: Mrs. Torres and the 3rd Grade Students

Saint Francis Center is a non-profit organization which has been helping our community since 1986. They provide working poor families with aid for housing, food, clothing, and education. For more information, we encourage you to visit their nice website, www.stfrancisrwc.org.

Please consider donating food, and gently used clothing to support this month's Community Outreach Drive. Students can bring donations directly to class January 11-15th. Please have all donations at school by 9am on Friday, January 15th.

We are in need of some sturdy boxes for this Drive. Please contact me if you can donate boxes, or for any other questions regarding Community Outreach.

Many Thanks and Happy New Year,

Cynthia Giovannetti, Community Outreach Coordinator
